Shubham Sunil More

Phone: +91-9021540537
Email: smore4569@gmail.com
Git Hub LinkedIn

Technical Skills:

Programming Languages: Python, C, C++,java

Web development:

Frontend : HTML, CSS, Javascript ,React
Databases: MySQL, MongoDB.

Core Subjects: DSA, DBMS, Computer Networks, OOP.
Domain : web development, Cybersecurity.

Projects:

1) Tic-Tac-Toe Game: Git Hub Link

I developed a two-player Tic Tac Toe game, where I implemented the logic for detecting wins and draws while maintaining a modular code structure.

2) To-Do List: Git Hub Link,

I built a To- Do List application which allows users to add, update, and delete tasks efficiently. By developing this project, I gained hands-on experience in designing interactive applications and managing data flow between user inputs and the application logic.

3) Android application for Task Management :
We have developed app that support adding task, completing task like features.
My role in this I focused frontend part of project.

4) Internship recommendation system:
We have develop system which suggest internship based on best matching internship for each student based on skill , preferences using AI models. It is developed using python

Achievements:

- First Year Department Topper with pointer 9.91
- Solved 100+ DSA problems on Leetcode

Education:

Bachelor of Engineering(B.E) :

Course : Computer Engineering

College Name: Maratha Vidya Prasarak Samaj's Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering, Nashik
Current Year: 3rd Year | CGPA: 9.41/ 10
